PLACEMENT NOTICE

Pool Campus placement drive

For

BTECH (CIVIL)/DIPLOMA (CIVIL) & MBA (MKT)

BATCH-(2022 passing out & 2021 pass out)

1. Name of Company:- SHREE CEMENT LIMITED

About the Company: The world of Shree Cement is one without boundaries – changing and challenging every day. We make cement and through it we touch the lives of millions of people every day. From the house you live in, the roads you drive on, to the bridges you cross, we strive to deliver unparalleled quality through our customized products and value added solutions.

- Among the top 3 cement groups in India.
- Among top 50 listed companies in India terms of Market Capitalization as on 31st March 2021.

Since our founding year in 1979, we have been committed to the cause of sustainable, inclusive growth and this has been possible by building a culture that promotes continuous improvement, innovation, care and collaboration, through which we drive operational excellence in products, processes and people. This has made us a company that cares for its customers and has enabled us to serve markets across India and the Middle East. Shree Cement has a consolidated Cement Production Capacity of 44.4 Million tons per annum (including overseas) and a Power Generation Capacity of 742 Megawatts.

Our operations span across India and the UAE with 4 integrated plants in India, 1 in UAE and 8 Grinding Units. Shree Cement was also among the industry pioneers for the use of alternate fuel resources in the production of cement and today we have the highest installed capacity of Waste Heat Recovery Power plants in the world, second only to China.

While our past performance has been among the best in the industry we don't believe in resting on laurels since it breeds complacency. Instead, we take pride in a culture that encourages taking opportunities as challenges and pursuing them to build a competitive edge. And that enables us to continue to break new grounds, create new synergies and set new benchmarks.
